Examiner Le

Thank you for your call this afternoon.

I reviewed the dependent claims 503 and 504. They should depend from claim 469.

Also, allowed claim 355 is found in new claims 469-490.

Also, I reviewed the WorkSheet claims. The discrepancy in claim numbering in the WorkSheet started at claim 424. There were two 424's. That was corrected in the final Amendment document sent to you, so that the numbers in the final document after claim 424 slip by one digit relative to the WorkSheet numbering.

I will resend with the changes early tomorrow.

Please feel free to call on an ongoing basis as questions come up.

Regards,

Bill Ellis
